Meet the 2026 "CAR SHOW KIDS!"

Our 2026 Car Show Kids - Fueled by Heart. Driven by Hope

Mary! Powered by Positivity

Mary is a bright, brave 9-year-old with a smile that can light up the whole car show! After more than two years of treatment for leukemia, Mary is looking toward an exciting reborn as she prepares to enter remission in early 2026. Through her journey, Mary and her family have turned challenges into kindness by helping other families through "hope kids" — comfort packages filled with care and encouragement for children facing cancer. Mary reminds us that hope is the strongest engine of all — and hers is running full throttle.

Roman! Built Tough. Born to Roll.

Roman is an awesome 11-year-old with a love for anything on wheels — cars, trucks, trains, you name it! After facing major medical challenges as a newborn, Roman continues to grow, learn, and shine in his own incredible way. Roman is resilient and has autism, but his joy and determination speak loud and clear. At his specialized school, he's gaining confidence, friendships, and skills in an environment that celebrates who he is — especially his need for speed! Roman shows us that every ride looks different — and every mile forward is worth cheering for.

Why This Matters!

The Lions Charity Car Show is more than chrome and horsepower — it's about community, compassion, and coming together to help like Mary and Roman. When we show up, we help fuel brighter roads ahead for families right here in Southeast Wisconsin. When: Sunday, August 30, 2026 Where: Waterford Town Park Why: Because cars + community = unstoppable magic!
